**Enclose with your Form 1040ME - You must attach a copy of the income tax return filed with the other jurisdiction.**

Residents (excluding “Safe Harbor” residents) may claim a credit against Maine income tax for income tax paid to another jurisdiction if all the following conditions are met: **(1)** the other jurisdiction is another state, a political subdivision thereof, the District of Columbia, Canadian Province or any political subdivision of a foreign country that is analogous to a state of the United States; **(2)** the tax paid to the other jurisdiction is directly related to the income received during the tax year covered by this return (tax payments made to other taxing jurisdictions for prior year tax liabilities cannot be considered when computing this credit); and, **(3)** the income taxed by the other jurisdiction is derived from sources in that jurisdiction. Income sourced to another state must be determined in the same way that a Maine nonresident calculates Maine-source income for purposes of Schedule NR or Schedule NRH. For a description of Maine-source income, see 36 MRSA § 5142 and Maine Rule 806. The income considered taxed by the other jurisdiction is income, after deductions, that is analogous to Maine adjusted gross income (federal adjusted gross income plus or minus income modifications).

- Individuals who are considered to be residents of both Maine (excluding “Safe Harbor” residents) and another state for income tax purposes may qualify for a dual resident credit under 36 MRSA § 5128. For more information, see [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms) or call (207) 626-8475.
- A **part-year resident** may claim a credit for tax paid to another jurisdiction on income earned during the period of Maine residency only (excluding period of “Safe Harbor” residency). Enter on line 1 your Maine adjusted income while a Maine resident (excluding period of “Safe Harbor” residency). Enter on line 2 the portion of line 1 that was taxed by the other jurisdiction. Compute line 4a on the basis of the Maine tax relating to the Maine adjusted gross income shown on line 1. Enter on line 4b the income tax paid to the other jurisdiction relating to the income shown on line 2. **Part-year residents who qualify for both the credit for tax paid to another jurisdiction and the nonresident credit - follow the special instructions included in the Instructional Pamphlet for Credit for Income Tax Paid to Other Jurisdictions available at [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms).**
- Line 4b is the income tax assessed by the other jurisdiction minus any tax credits (except withholding and estimated tax payments).
